Name of child: \_\_\_\_\_

Date of  
entry to  
the  
school: \_\_\_\_\_

Occasionally, we may take photographs of the children at our school. We may use these images in our schools prospectus or in other printed publications that we produce, as well as on our school website, school Twitter or on project display boards at our school. We may also make video or webcam recordings for assemblies, school-to-school conferences, monitoring or other educational use. We may also record school productions, the junior carol concert and the infant nativity.

From time to time, our school may be visited by the media who will take photographs or film footage of a high profile event. Pupils will often appear in these images, which may appear in local or national newspapers or magazines.

To comply with the GDPR 2018 regulations and Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown. This form is valid for the duration of your child's time at school but you may contact the office if you wish to make any changes.

**Please return the completed form to the school as soon as possible.**

**If you require any further clarification of the information above please contact the School Office.**
