

THE GOVERNING BODY OF

St Mary's Catholic Primary School

Glenure Road, Eltham, London SE9 1UF

12th February 2020

Dear Parents/Carers,

St Mary's is without doubt an exceptional place where the quality of education and support that is provided to all the pupils who pass through our doors is second to none. The school is quite rightly recognised at both local and national level as a beacon of good practice and achievement.

The importance of excellent leadership plays a pivotal role in ensuring that success and we have been equally well served over the years by the Headteachers who have led our school. The governing body are as you would expect are keen for that to continue. We adopted a different style of leadership when Ms Phipps and Mr Sims were appointed to the new roles of co-Headteachers and we have been delighted to see home-grown talent succeed in such a short space of time at the very highest level.

At our recent governing body meeting it was ratified that the roles would be made permanent with immediate effect. This is excellent news for the school and I know that you will join me in sending Mr Sims and Ms Phipps our warmest congratulations on these appointments to St Mary's.

We look forward to an exciting future ahead.

With every best wish

Paul Drake
