

Sport Premium at St Mary's 2021/22

Government funding to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games is continuing, aiming to ensure that children receive regular opportunities to be active at school, to achieve physical fitness at school, and to realise their sporting potential at school. At St Mary's, sport plays an important role. It contributes significantly to the health and well-being of all our children. We recognise too, that sporting excellence and participation go hand in hand with high academic standards.

We aim to ensure that every child participates in two hours of physical activity every week and we try to ensure that each child gets an extra 30 minutes of exercise each day.

VISION

All pupils will leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. PE will be recognised as a tool for whole-school improvement – to motivate cross-curricular learning and improve achievement, behaviour and emotional well-being. The confidence, knowledge and skills of all staff in teaching PE will be developed. A broad range of sports and activities will be offered to all pupils. Promotion and celebration of 'personal best' alongside the development of excellence in competitive settings.

Funding for St Mary's for the current academic year (2021-22) was £19,630

What we said last year we would continue to do:

We will use next year's funding in the following ways:

Learning and Teaching Support

- Continue to fund a PE specialist to work alongside our teachers and children every Monday and Thursday.
- Continue to fund lunchtime leaders and after school football coach to further develop children's skills.
- Offer children the opportunity to develop individual sporting skills, such as dance, Frisbee and tri-golf, through workshops and clubs.
- Promote house membership and competitions so that intra-school competition is enhanced. Introducing house points throughout the year (TBC)
- Develop representation of school athletes at borough level.
