Transition Session: Thursday 16th and Friday 17th July

Dear parents / carers,

In line with the current guidance, on Monday 29th June, 180 students will be attending school. However, we are conscious that the majority of our children have been at home during this period and will not be able to return until September. The school has been in contact through many mediums including phone calls, Google Classroom, Twitter and the weekly newsletters, however we know that children and teachers have missed face to face contact.

With this in mind, for the last two days of term (**Thursday 16th and Friday 17th July**) there will be no classes for YR, Y1, Y6 and key worker provision.

Instead, we will offer a transition session for all year groups (with the exception of Y6). As a reminder, (Monday 20th and Tuesday 21st) are INSET days.

Each class will be split into groups of 15 and then allocated a one hour slot (parents will be notified in due course). Children will line up outside school in their year groups (one metre apart) and be led into the playground where they will be sat down and the teachers will lead a session for an hour. This session will take place outside and a maximum of four hubs of 15 will be onsite at a time. Children will not be expected to wear uniform on this day. Should weather be poor, provision will be moved to designated places.

For the last part of the session the children's new teacher will join the hub to introduce themselves.

Year Six have not been included because there are other plans to support their transition to secondary school. Rest assured their final day at St Mary's on Wednesday 15th July will be a special day.

Please see the timetable on page 2 of this letter.

It is imperative that children are dropped off and picked up on time as latecomers will not be able to be accommodated.

Please speak to the office if you have any questions.

Kind regards,

Mr Sims and Miss Phipps.
