

INTENT

- According to the National Curriculum, children from KS2 are required to be taught a foreign language.
- St Mary's exceed this by providing French from Reception
- The aim is to promote an initial and continuing interest in French.
- To enable all pupils to converse and write in the French language.
- To enjoy the culture and lifestyle of a foreign country.
- To develop the confidence to achieve this at a very young age.
- To have high expectations of the children in the learning of the French language.
